@ The Library: July 2016

3 D Printer Demos @ The Library:

Curious about what a 3 D Printer is and what it does? Drop by the Reference & Technology Desk one Saturday each month to see! We'll have one of our 3 D Printers on display busily creating 3 D printed objects, we'll offer information on our new Makerspace – Creation Station and we'll even have a handful of 3 D Printed items to pass out that you can take and share with your friends (first come, first served!).

Dates/Times: Saturday, July 9 & Saturday, July 16, 10:00 a. m. – 1:00 p. m.

What to Read Next!

Drop in at the library any time between 10 a.m. – 12 p.m. on Monday, June 13 to find out what's new at the library this month. Acquisition Librarian, Linda Reimer will provide you with lists of all the new books in print, e-books, downloadable audiobooks, DVDs, CDs, digital magazines, and streaming videos added to the library's collection in the last month, broken down by General Fiction & Literature, Mysteries, Romance, Science Fiction & Fantasy and Non-Fiction, and including a description for each item. Browse the lists while you're at the library or take them home with you to peruse at your leisure. Bring your smartphone or tablet along if you would like, and Linda will be happy to show you how to check out digital library materials. You'll be able to request titles on the spot, and even enjoy a free cup of coffee.

Date/Time: Monday, July 11, 2016, Time: 10:00 a. m. – 12:00 p. m.

3 D Printer Programs @ Corning Senior Center:

Curious about what a 3 D Printer is and what it does? Join us for a presentation and practical demonstration of 3 D printing technology.

These programs are co-hosted with the Corning Senior Center.

To register for either program call the Senior Center at: 607-962-8000.

Dates/Times: Thursday, July 14 & Thursday July 28,
11:00 a. m. – 12:00 p. m.

WordPress Workshop*:

You can create your own website for free using WordPress; all you need is an email address and an Internet connection. During this workshop we'll assist you in creating your own WordPress site, customizing it, adding pages to it and more! Join us! And you can check out one of the library's WordPress sites by going to: SSCLTECH.COM

Date/Time: Friday, July 22, 2016,: 10:00 a. m. – 12:00 p. m.

Microsoft Excel Series*: Learn the latest features of Microsoft Excel. This series is a 2 part series that will walk you through Cell Basics, how to Modify Columns, Rows and Cells, how to Format Cells & Data and more. We invite you to bring your own laptop and will provide laptops for those who need

them. Attendees must take all three classes as they build on each other and it is difficult to get everyone on the same page if a class is missed.

The 3 classes are held on consecutive Thursdays from 2:00 pm – 4:00 pm.

Note: If you cannot make one of the classes we can arrange for you to make it up with a one-on-one session with our Digital Literacy Specialist.

Dates/Times: Tuesday, July 26th & Thursday, July 28th, 2016:

Time: 1:00 p. m.-4:00 p. m.
